To Whom it may concern:

The Mallard Group has been a vendor for Allstate Installations for the past 6 years. In this time frame, The Mallard Group has performed various installations and merchandising jobs for Allstate Installations, becoming the vendor/partner of choice for Allstate.

Mallard Group's reputation precedes their ability in ensuring all projects performed and delivered seamlessly in the eyes of the client.

Their willingness to help and find viable solutions anytime is impeccable. The Mallard Group has been instrumental in helping Allstate Installations achieve cost savings on various programs. They are very well organized, diligent in their paperwork, easily reachable, and always on time.

Mallard Group has done an excellent job and I would highly recommend them for any programs requiring installations and/or merchandising.

Sincerely;

Orlando M. Uriarte
